

Bay State Council Treasure Hunt Rules

Entrance fee is \$10 for one or both parts of the event, diving and/or snorkeling.

Diving Event:

Purpose: Individual SCUBA divers will dive in a controlled, supervised environment for submerged items. Raffle tickets given out in exchange for those items will afford participants a chance at some great raffle prizes.

The start time for the diving event is 10 AM; divers are expected to be at the edge of the water ready to be counted at that time. If a diver is not ready to get in the water at 10:00, he/she will be at a disadvantage.

There will be a limited number of special tokens in the water for specific top prizes. If you find one of the special tokens, you will want to come out of the water immediately to claim your prize.

All participants who find tokens will be eligible for the Grand Prize drawing.

Snorkel Event:

Purpose: Teams of snorkelers will dive for specific items. The team that retrieves the largest number of those items wins the event.

The Snorkel Event will follow the diving event. The Time will be announced. Snorkel teams are expected to be ready to enter the water at that time. If a team is not ready, that team will be at a disadvantage.

Maximum team size is 6 snorkelers.

The number of teams is not limited.

A trophy will be awarded to the winning team.
